Race program:

Qualify race will begin at 10:00 for all categories. Each category will start from one row, group start will follow. Qualify race is 45 min long.

Main race starts at 12:30 (HARD ENDURO RACE BUZET). The course will consist of two difficulty levels. DIAMANT and GOLD will race on heavy track and other categories on easier route. At 12:30, three competitors will start at the same time according to the qualification, followed by the next three competitors starting after 30 sec, and so on. The limited time of the race will be 5 hours.

Competitors will have to race a 60 km journey. The winner of each category will be a competitor who will have all the checkpoints confirmed and will come first in the finish line. For a competitor who has not been confirmed by a checkpoint upon arrival at the destination, a markup of 60 minutes is added for each missing checkpoint.
