PROGA

Proga bo tehnično srednje zahtevna s težjimi odseki in B linijami, primerna za vse kategorije. Proga bo spremenjena v srednjem delu, saj se je podoba MTB trail centra spremenila. Pazljivo spremljajte urnik treninga, saj mora biti usklajen z delovanjem centra. Trening zagotovo ne bo možen med vikendi pred tekmo, bo pa narejen urnik treningov na progi med tednom pred dirko.

COURSE

The course is moderately demanding with B lines at the challenging sections, suitable for all categories. The traditional course is modified in the central part due to changes in the MTB trail center. Please closely follow the training schedule, as it must align with the trail center's operations. Training will not be possible on weekends before the race, but a training schedule will be established on the trail during the week before the competition.
