Competition Highlights:

- **King of Speed:** A radar will be placed between corners 3 & 4 to measure speed. The rider with the highest speed of the day will win a prize and the title of King (or Queen) of Speed.
- **Spectator "Bets":** During the F200, spectators can "bet" on the highest speed of the day. The lucky one who guesses or comes closest to the highest speed will win a prize from our sponsors.
