ABOUT THE ORGANIZER

The Cycling Club Branik Maribor was founded in 1900. Our headquarters are in the heart of the city, where our story began and where we have grown over the years from the first pedal strokes to today's many successes and a burning passion for cycling. Under our club colors of purple and white, we have united many cycling enthusiasts, and the community consists of about 30 active members who contribute their knowledge, energy, and love for this sport every day.

Cycling Club Branik Maribor is recognized for organizing local events, such as our traditional marathon around Pohorje since 1979, which attracts participants from all over Slovenia. In addition, we organize the Marathon along the fruit wine roads (Po sadno vinskih cestah), the climb to Areh, and participate in local and international competitions. Our events attract numerous cyclists, spectators, and media.

Kind regards,

Mateja Stevanović
(President of KD Branik)
